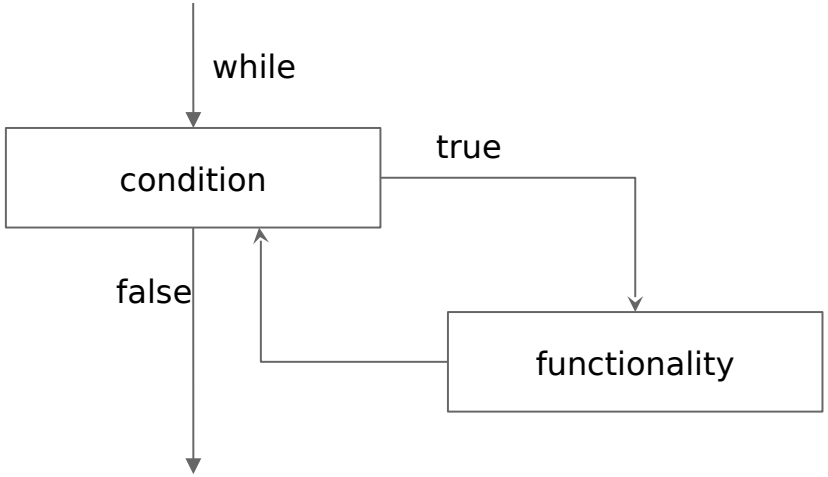
While loop

While loop



While loop

Loop as long as a condition is true

```
while condition {
   ...
}
```

While loop

Loop as long as a condition is true

```
while condition {
   ...
}
```

Continue skips a step

Break stops the loop

While loop

Loop as long as a condition is true

```
while condition {
   ...
}
```

Continue skips a step

Break stops the loop

```
loop {                    // while true {
   ...
}
```
